	Appearance & Odor : colourless and Odorless Liquid	
Section 10	: Stability and Reactivity Stability : Product is stable if stored as per the conditions specified under storage of Section No. 7. Product loses its potency/performance above 45°C. Conditions to avoid : Carbon dioxide, carbon monoxide, strong oxidizing agents, strong bases, or fire	
Section 11	: Toxicological Information Acute Effects : May be harmful if swallowed. May cause skin and eye irritation. The preparation may cause allergic reactions in certain sensitive individu als.	
Section 12	: Ecological Information Data not available	
Section 13	: Disposal Considerations Dispose off waste in accordance with all applicable Federal, State and local laws.	
Section 14	: Transport Information UN No. : Not applicable.	
Section 15	: Regulatory Information Risk Phrases : 22/36/37/38 Harmfull if swallowed, Irritating to skin, eyes and respiratory tract. Safety Phrases : 26-36/37/39 If comes in contact with eye wash the eyes with plenty of water. Wear suitable protective clothing,gloves, eyes and face protection.	
Section 16	: Other Information Disclaimer : For R & D use only. Not for drug, household or other uses.	
	Warranty : The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product.
